## PENNSYLVANIA SHORTHORN BREEDERS' ASSOCIATION

**Greene County Fairgrounds**  
**WAYNESBURG, PENNSYLVANIA**

**Saturday, October 21, 1967**

**12:30 P. M.**

## GENERAL INFORMATION

TIME — SATURDAY, OCTOBER 21, 1967 — 12:30 P. M.

TERMS — Terms are Cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the sale. All animals are at Buyer's risk as soon as bid off but will not be released until settled for.

HEALTH — All animals will meet the Pennsylvania health regulations and a health certificate will accompany each lot sold. Most heifers have been vaccinated for Bangs.

GUARANTEE — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Association. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot. Neither the sales manager, clerk of sale, auctioneer, nor the Pennsylvania Shorthorn Association nor any officers or directors of the same assumes any liability, legal or otherwise.

REGISTRATION — A certificate of registration and signed transfer will be furnished with each lot sold.

LIABILITY — Although every precaution will be exercised to protect the safety and comfort of the guests of this sale, neither this Association, its auctioneers, clerks, consignors, nor sale manager can assume any liability.

MAIL BIDS — To any Officer or Director of the Association or the Sale Manager.

All registration numbers preceded by an X means the animal is polled. Buyers of either polled or horned have a choice and can select according to their personal preferences.

Tuscarora Viceroy is one of the best herd bull prospects that we have raised. His grandam, Gilda Lady Venus was a great bull producer, but only left us one heifer who is the dam of Viceroy. His dam was a first calf heifer and he has never seen a nurse cow. His average daily gain for the past five (5) months has been 2.16 pounds per day.

Our bull entry in last year's sale was Champion and Top Seller to Paul Cummins of Waynesburg. At the past Greene County Fair, he was named Grand Champion Bull after a season of breeding.

Not too much can be said for this massive bull, as all who have seen him and his progeny can attest. He is remarkably deep and thick, has a wonderful head and is very masculine. To find a better quartered beef bull one would have some job on his hands. A 1/3 interest and guaranteed possession for 2 years sells. As easy to handle as he is hard to fault.

Timberlee's Royal Rodney x3271006 is out of our best producing cow, from a family of cows made famous by Penn State at the International. The biggest son of Rodney, he is a maternal half-brother to Consort 32d, 1963 Reserve Champion at Chicago, that sold to Valley View of Nebraska for \$3600. Post weaning index score of 143.8, yearling index of 155.0, for an average daily gain of 2.45. Weighted 1220 on July 21st. Semen tested and ready to work.

Timberlee's TC Rodney 32d x3316157 is far too young to be selling, but we want to have a Rodney at Waynesburg. His dam sells also, and we will try to wean this calf a week before sale time. He has a great head, lots of bone, is perfectly balanced. We can't write a better pedigree for a future herd bull — his individuality bespeaks his inheritance. A show bull for someone next summer!

Timberlee's Roan Lady 3d x3174531 is a grand young female, having never stood lower than second at every major show exhibited, and the 1964 All-American summer yearling female. It is hard to believe that she is but a little over four years of age and has had three calves, the last of which is selling in this sale. Her first heifer topped the Ohio sale last Fall for \$1050. Hate to part with her — but this is our most prolific family — and after she goes we still have seven Roan Lady females left, and in a herd of 35, that's a lot! Bred to Skirmish Hill's Rodney on July 27th.

# STANDARD GUARANTEE

Endorsed by

## AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
